I SEE YOUR EYES

I see your eyes, they pull me near,
a quiet fire, I feel it here.

No words to speak, the night is ours,
we're lost in sound beneath the stars.

Your heartbeat matches mine,
I'm falling out of time.

No fear, no past, I just know,
I don't know why, I just know how.

Stay with me, don't let me go,
the world can fade, but we will go.

In every breath, in every sound,
I'm safe with you when you're around.

Your touch is light, yet breaks my world,
I never thought I'd feel it all.

Through all the noise I hear your voice,
and in this chaos, I rejoice.

Stay with me, don't let me go,
the world can fade, and we will go.

In every breath, in every sound,
I'm safe with you when you're around.
